Meta Ads Manager Ad Set setup showing the conversion location (Instant forms), page association (Iron Pulse Fitness Studio), and age demographic limits (18 - 30).

Meta Ads Manager Ad-level configuration displaying the Ad Name (gym offer), single image format selection, and Facebook Instant Form destination setup.

Preview of the customized Meta Instant Form intro greeting, outlining the value proposition and enticing user sign-ups.

The screenshot shows the Meta Instant Form interface for a campaign titled 'IRON GYM' with an offer 'gym offer'. The form is in 'Review' mode. The central screen displays the 'Contact information' step, which includes a privacy notice: 'Answers the questions. Your data are kept very confidential'. It has three input fields: 'Email (Optional)', 'Full name', and 'Phone number', each with the placeholder 'Enter your answer.'. A blue 'Continue' button is at the bottom. The progress bar at the bottom indicates '2 of 5' steps. At the very bottom of the interface, there is a 'Close' button, a green checkmark with 'All edits saved', and 'Back' and 'Publish' buttons. A disclaimer states: 'By clicking Publish, you acknowledge that your use of Meta's ad tools is subject to our Terms and Conditions.'

Meta Instant Form contact information interface collecting verified user name, phone number, and email.

This screenshot shows the 'Enter verification code' step of the Meta Instant Form. It informs the user: 'We've sent you an SMS with a 4-digit code. This code will expire in 10 minutes.' Below this is a 4-digit input field. A link 'Verify another phone number' is provided. A numeric keypad is shown with digits 1-9 and 0. The progress bar indicates '3 of 5' steps. The bottom of the interface features the same 'Close', 'All edits saved', 'Back', and 'Publish' controls, along with the same disclaimer: 'By clicking Publish, you acknowledge that your use of Meta's ad tools is subject to our Terms and Conditions.'

Embedded SMS verification screen within the Meta Instant Form to filter out invalid phone entries and secure high-quality leads.

Meta Instant Form Privacy Policy review screen ensuring compliance with user data protection policies.

The final "Message for Leads" screen confirming successful form submission and providing a Call-To-Action to visit the business website.
